DEVELOPMENT UPDATE

North Hertfordshire College and CALA Homes

NOTICE OF COMMENCEMENT OF WORK

Dear Resident,

Over the next few weeks, you will start to see work beginning on the new development at North Hertfordshire College's Hitchin campus. To let you know what is coming up, we will send you regular updates about the College's redevelopment of its sports facilities and CALA's residential development. This update explains our plans for the first stage of work on the sites over the next few weeks.

CALA START DATE ON SITE

CALA's contractors will start on site the week beginning 24th May to erect the fencing around the perimeter of our construction site. Following this, our Groundworkers will start on 2nd June and they will be the principal building contractors on the site for a period of 12 weeks. They will bring in the welfare units for the site workers, along with the construction equipment and machinery needed to build the roads and infrastructure such as the drainage.

NORTH HERTFORDSHIRE COLLEGE PROPOSED START DATE ON SITE

Contractors working on behalf of the College will start work during the week beginning 21st June. This first phase of works will be the demolition of the old sports buildings. Some site preparation works will take place prior to this.

If you have any queries regarding the information within this update, please direct these to nhcdevelopment@nhc.ac.uk

Kind Regards
